Dear Kellie,

AQW 38208/22-27 - to ask the Minister for Communities, pursuant to AQW 36330/22-27, whether he will provide copies of the minutes of meetings (i) he; or (ii) his officials, have had with Hospitality Ulster, where the University of Stirling's recommendations following the Report of the Independent Review of the Liquor Licensing system in Northern Ireland including the Surrender Principle were discussed, including the (a) dates; and (b) locations, of the meetings; and (c) attendees and their positions within his Department.

Due to the volume of detail required to answer AQW 38208/22-27, I have arranged for the information attached at Annexes A and B to be placed in the Assembly Library.

Some of the information at Annex A – Ministerial Meeting Note – Meeting with Colin Neil CEO of Hospitality Ulster - cannot be disclosed under the following exemptions contained in the Freedom of Information Act 2000:

- **Section 40(2)** - information is exempt from disclosure if it is the personal data of, or could lead to the identification of an individual. The information requested contains the personal details of junior members of staff. In the Department's opinion, release of this information

would breach the first principle of Data Protection legislation which requires personal data to be processed lawfully, fairly and transparently.

- **Section 43(2)** - information is exempt if its disclosure under this Act would, or would be likely to, prejudice the commercial interests of any person (including the public authority holding it).

Yours sincerely,
