Subject: Minister interview

Hi Karen,

I spoke to my colleagues on Friday and we've put provisional arrangements in place for a 2.30pm pre-recorded interview with the minister for Good Morning Ulster later today.

Let me know when you can if that's 100% so we can put the final arrangements in place. I can also pass you on to my colleagues in radio for the final details of the minister coming in etc.

Thanks,

[REDACTED]

Hi [REDACTED], Thanks for coming back to me. I've passed your email on to my colleagues at Good Morning Ulster, they should get back to you shortly with the details as they'll be the ones meeting you and bringing you up to the studio.

Thanks,

Thanks [REDACTED]. Can the Minister's car park in the back carpark at Broadcasting House to save time?

Hi [REDACTED], I'm not sure of the answer to that, the car park at the back is quite small and often packed. But I've passed that on to the GMU team to make inquiries

Hi [REDACTED]

I hope you are well. I will be attending the interview with the Minister this afternoon. I will come over separately and will be at Broadcasting House ahead of the Minister.

Would the Minister be able to be dropped off in the back car-park and her car wait for her there?

Give me a call if it's easier – [REDACTED]

See you later.
