Dear Ciara,

AQW 44276/22-27

You recently submitted an Assembly Written Question AQW 44276/22-27 requesting detail any capital projects funded through Neighbourhood Renewal, in the last two years, broken down by constituency.

As outlined in my response, due to the volume of detail required to provide a full answer, I have arranged for the information attached at Annex A to be placed in the Assembly Library.

Yours sincerely,

**Gordon Lyons MLA
Minister for Communities**
