

# Brexit Breakfast

## Where are we now?

With just over a year to go before we leave the European Union, we hear how some of the biggest, some of the smallest and some of the most dynamic companies are doing to prepare for Brexit. Hear first-hand how Europe's biggest and most vocal airline has navigated the choppy European skies over the last few months and what it expects in the future, how Invest Northern Ireland is helping its clients prepare for the challenges and opportunities of Brexit and find out from KPMG the steps you can take to mitigate Brexit risk from one of the most experienced tax advisors in the land. All that in the beautiful surroundings of The MAC, accompanied by a bacon roll and a coffee. We look forward to seeing you there.

**Confirmed speakers include:**

**Kenny Jacobs** Chief Marketing Officer, Ryanair

**Olive Hill** Executive Director of Strategy at Invest Northern Ireland

**Johnny Hanna** Partner and Head of Tax at KPMG
