# Register of Members' Interests

## **Introduction**

This is the updated version of the first edition of the Register of Members' Interests. This Register of Members' Interests reflects the interests of Members as they stood at 25 March 2016. Please note that any recent updates to the register are highlighted throughout this document with a yellow background and the † symbol.

## **Purpose of the Register**

The main purpose of the Register of Members' Interests is to provide information of any financial interests or other material benefit which a Member receives which might reasonably be thought by others to influence his or her actions, speeches or votes in the Assembly, or actions taken in his or her capacity as a Member of the Assembly. Provision is also made for the registration of non-financial interests and other such information as the Assembly may from time to time require to be included. The registration form specifies twelve categories of registrable interests which are described below. Apart from the specific rules, there is a more general obligation upon members to keep the overall definition of the Register's purpose in mind when registering their interests.

## **Form of the Register**

The entries in the Register are designed so as to give a clear description of the nature and scope of the interests declared. Each Member is, however, ultimately responsible for his or her own entry; inconsistencies of style or content in the Register are attributable largely to that fact.

## **The Advocacy Rule**

Members are prohibited not only from advocating or initiating any matter on behalf of any other person in return for payment or benefit, but also from conferring benefit exclusively upon a body or individual outside the Assembly from which they have received, are receiving or expect to receive a financial or material benefit. Further detail is set out in the Code and Guide.

## **The Categories of Registrable Interests**

The form supplied to Members for the registration of their interests is divided into twelve sections, which are represented in this Register by the following headings:

### **1. Directorships**

In this section Members are required to register remunerated directorships in public and private companies including directorships which are individually remunerated but where remuneration is paid through another company in the same group. Members are also required to register the amount of any remuneration they receive in respect of each relevant entry and the average approximate hours spent in relation to that remuneration.

**2. Remunerated employment, office, profession, etc**

This is the category for registering any employment, office, trade, profession or vocation which is remunerated or in which the Member has any financial interest. Members are also required to register the amount of any remuneration they receive in respect of each relevant entry and the average approximate hours spent in relation to that remuneration.

**3. Elected/Public Office**

In this section Members are required to register their membership of all elected and public offices whether it is remunerated or not, or if expenses only are payable. Members are also required to register the amount of any remuneration they receive in respect of each relevant entry and the average approximate hours spent in relation to that remuneration.

**4. Electoral Support and Political Donations**

Members are required to register under this category:

(a) any donations, loans or credit received by a Member's constituency party or association, or relevant grouping of associations, which is linked either to candidacy at an election or to membership of the Assembly; and

(b) any other form of financial or material benefit (including loans or credit) received by a Member in support of his or her role as a Member of the Assembly

amounting to more than £1000 from a single source, whether as a single transaction or as multiple transactions of more than £200 during the course of the calendar year.

However, donations made directly to a constituency party as an expression of general political support, not linked to the Member's candidacy or membership of the Assembly, should not be registered.

**5. Gifts, benefits and hospitality (U.K.)**

This section is for the registration of any gift to the Member or the Member's partner, or any material benefit of a value greater than 0.5 percent of the current salary of an Assembly Member, from any company, organisation or person within the UK which in any way relates to membership of the Assembly (including those received in a ministerial capacity) or to a Member's political activity.

Gifts and Hospitality received by the Speaker/Deputy Speakers

In addition to the requirement for **all** Members to register certain categories of gifts/benefits/hospitality received, the Speaker's Office also maintains an additional register of gifts and hospitality received by the Speaker and Deputy Speakers. This Register details any such benefits received by the Speaker or Deputy Speakers from third parties, regardless of value. Usually such gifts received are retained by the Speaker's Office rather than being retained by an individual office holder, but in any event the details are recorded on the register. The register is available online ([http://www.niassembly.gov.uk/Speakers\\_Office/gifts.htm](http://www.niassembly.gov.uk/Speakers_Office/gifts.htm)).

**6. Overseas Visits**

This section covers, with certain specified exceptions, overseas visits made by the Member or the Member's partner, or dependent children, relating to or in any way arising out of membership of the Assembly (including those made in a ministerial capacity), or to the Member's political activity, where the cost of the visit was not wholly borne by the Member, or by United Kingdom or Northern Ireland public funds.

**7. Overseas benefits and gifts**

The section covers any gift to the Member or the Member's partner or dependent children or any material benefit of a value greater than 0.5 percent of the current salary of an Assembly Member, from any company, organisation or person outside of the UK which in any way relates to membership of the Assembly (including those received in a ministerial capacity) or to a Member's political activity.

---

**8. Land and property**

The requirement in this section is to register any land or property - owned solely or jointly with a third-party - either within or outside of Northern Ireland, other than any home used for personal residential purposes of the Member, or the Member's partner or any dependent child of the Member, which is of a substantial value or from which a substantial income is derived.

**9. Shareholdings**

In this section Members are required to register shareholdings held by the Member, either personally, or with or on behalf of the Member's partner or dependent children, in any public or private company or other body where either:

- (a) the nominal value of the shares at the relevant date is, or was, greater than 1 percent of the total nominal value of the issued share capital of the company or other body;
- (b) the market value of the shares at the relevant date exceeds, or exceeded, 50 percent of the current salary of an Assembly Member (currently £21,550) on that date (rounded down to the nearest £10).

**10. Miscellaneous**

In this section Members should register any relevant financial interest not falling within one of the above categories. Members should also register in this category membership of any occupational pension schemes.

**11. Unremunerated interests**

Members are required to list in this section any relevant non-financial interest.

**12. Family members who benefit from Office Cost Expenditure**

In this section Members should register any family members who benefit directly or indirectly in any way from Office Cost Expenditure.

**General**

The printing of this Register was ordered by the Committee on Standards and Privileges on 29 June 2011.

It is the responsibility of the Members to notify changes in their registrable interests within 28 days of the change occurring; and the Register will be periodically updated in a loose-leaf version to take account of such amendments. The loose-leaf version is open to inspection, by arrangement, in Room 284, Parliament Buildings. A copy of the loose-leaf Register is placed in the Assembly Library for the use of Members.

In addition, both the published Register and its regular updates are available on the Internet at the following address: [www.niassembly.gov.uk](http://www.niassembly.gov.uk)

**Complaints**

Advice on how to make a complaint is available by going to

[http://www.niassembly.gov.uk/standards/2007mandate/complaint\\_procedure.htm](http://www.niassembly.gov.uk/standards/2007mandate/complaint_procedure.htm)
